This 2 day clinic is open to all comers, abilities and ages and is focusing on correct way of going and getting the best from your horse or pony. You do not have to compete in showing classes but we would like to encourage those who have never shown or been daunted by the prospect of it to come and join us.

Included within this clinic, participants have the opportunity to be assessed for:

- The Pony Club Showing Achievement Badge
- BSPS Scotland Performance Award winners to receive a complimentary entry to the BSPS (Scotland) Finale Show

Day 1 – Flat lessons; private, semi-private and group lessons

Day 2 – Flat and Jumping; private, semi-private and group lessons

Costs per person

Private	(30 mins)	£25
Semi-private (2)	(40 mins)	£20
Group (max of 4)	(1 hour)	£20

You do not need to be a member of any society to attend this training. Participants can book for either Day 1, Day 2 or both, with groups arranged based on ability. You can also if you wish, and you and your horse/pony are fit enough, have two lessons on one day. We will try and accommodate specific requests if we can but please appreciate that this is not always possible.

Please note: If you intend competing in BSPS affiliated classes, and you have private lessons with James, you cannot then compete under him as your judge in 2024.

Working Hunter / Jump Lessons: Body Protectors MUST be worn when jumping. A British Equestrian Trade Association (BETA) approved and appropriately labelled "Level 3 body protector" 2018 (Blue and Black) shown on the label. All types of Air Jackets are not allowed.

BSPS Hat Tagging will be available on both dates.

Local Stabling is available.
