

STEWARDING INFORMATION & TRAINING DAY

Are you involved or would you like to become involved with stewarding at shows?

All sports rely on stewards and marshals to run – none more so than equestrian events – this training day will focus on ring stewarding. Organisations such as The British Horse Society, The National Pony Society Scotland and British Show Pony Society Scotland, as well as agricultural shows, rely on people to volunteer as stewards to assist judges and keep show rings safe, so horses can be shown off to their best advantage.

Stewarding is enjoyable, rewarding and essential. It provides volunteers with invaluable skills and life experience. If you are interested in becoming a steward, are already involved in stewarding or organise public events, you won't want to miss this fantastic FREE event.

Sunday 3 March 2024
9.30am-3.30pm
